

BLACKBERRY TOUR

The BlackBerry Tour. New from Verizon Wireless.

BlackBerry runs better on America's largest and most reliable 3G network.

What's new and different about the BlackBerry Tour?

The BlackBerry® Tour™ smartphone has powerful global capabilities that make it easy to travel the world, without skimping on the familiar business-friendly features BlackBerry is known for. Email colleagues, view and edit Microsoft® Office documents and attachments, and browse the Web with desktop-style HTML—whether you're out of the office or out of the country. Featuring 3G technology, a 3.2-megapixel camera, VZ Navigator™ and VZ Navigator Global capability, and support for more than 1,000 popular apps from BlackBerry App World, you'll do more with the Tour.

Stay productive. This device goes global, so you can connect in more than 220 destinations. Email and browse the Web, and send picture messages in more than 175 data destinations—over 50 with 3G speeds.

Work faster. Take advantage of 3G network speeds for better, faster performance and best-in-class Web browsing, streaming, and downloading.

Communicate better. The Tour gives you multiple ways to stay in touch with colleagues, clients, family, and friends—from text messaging to reliable push email, you're always within reach.
